ANDRIAN FALAH KALYANA

081462218987 | andrianedisi1@gmail.com | www.linkedin.com/in/andrianfalahkalyana

Cimahi, Indonesia

I am an active 5th semester student majoring in Informatics Engineering at Bandung University of Logistics and International Business. Familiar with Internet of Things (IoT) and several programming languages such as PHP, HTML, CSS, MYSQL and basic JavaScript. I have an interest in a career as a Web Developer, both Front-End Developer and Back-End Developer. I enjoy learning new things and have good communication skills. Able to work individually and in groups.
